The screenshot shows the Kubbu website homepage. At the top, there is a navigation bar with links: Main, Features, Samples, Shared Activities, Terms, and Contact. Below the navigation bar, the main content area starts with a 'welcome to kubbu' heading, followed by a subheading: 'Kubbu is a free e-learning tool designed to facilitate teachers' work and enhance learning process'. Below this, there are four numbered steps in a sequence: 1. Register your FREE teacher account (with an icon of a person and a group), 2. Create games, quizzes or crosswords (with an icon of a crossword puzzle), 3. Make them available to students or groups (with an icon of a laptop with an @ symbol), and 4. View and analyse results (with an icon of a bar chart). Below these steps, there is a list of features: results are calculated automatically and stored in your database; results can be compared and sorted by different criteria; you can export results to other programmes, and use them in the way you want; use Kubbu to stimulate your students and improve their results. To the right of this list, there is a call-to-action box that says 'Register your teacher account and use kubbu for FREE'. At the bottom right, there is a 'BOOKMARK' button.
